Native Receipts Small-Butcher Cattle
Stronger-Sheep Close Lower.

NATIVE CATTLE-Beef Steers-Receipts of
native cattle were a tride over haif the supply
a week ago, and the proportion of beef cattle
was not half, but included some toppy offerings,
for which there was a fairly good demand at
steady to strong prices. Outside of a very few full
loads and a sprinkling of odds and ends there
was not enough to test the market, but the feding on all desirable steers was firm at a general
advance for the week of around 25c.

HOGS—The run of hogs was fair, however, considerable less than what would be called a liberal supply. Conditions were in sellers favor and they succeeded in forcing buyers to pay a little more than on Wednesday for the medium to good gradis. The best butcher and packing hogs sold readily and prices were generally considered strong to a shade higher, while the fair to medium grades were steady to strong. Good lights sold strong, but the fair kinds were hardly as good as steady, especially anything that was on the Southwest order. Little common pigs were hard to sell at anything like satisfactory prices, but the good ones were in fair demand. The close was very weak and duil and some fow hogs had to be held over; however, they were mostly on the common organic bis. average and shove sold at \$1,0007,30, the bulk at \$5,0007,10; the fact of \$100 to \$100 the. at \$4,0007,10; the sold at \$1,0007,30, the bulk at \$5,0007,10; the bulk at \$6,0007,10; the \$6,0007,10; the \$6,0007,10; the \$6,0007,10; the \$6,0007,10; th
